

## Michigan

The options for eligibility for the 2006-07 school year for a student from Michigan are:

- ***The State Scholars Initiative requirements.*** This program, currently offered in Michigan and twenty-one other States and patterned after the recommendations of the National Commission on Excellence in Education, requires at least:
  - Four years of English;
  - Three years of math (including Algebra I, Algebra II and Geometry);
  - Three years of lab science (biology, chemistry, physics);
  - Three-and-one-half years of social studies; and
  - Two years of a language other than English.
- ***A set of courses similar to the State Scholars Initiative.*** This program of study requires passing grades in the following:
  - Four years of English;
  - Three years of Math (including Algebra I and a higher level course such as Algebra II, Geometry, or Data Analysis and Statistics);
  - Three years of science (including at least two courses from biology, chemistry or physics);
  - Three years of social studies; and
  - One year of a foreign language.
- ***Advanced Placement (AP) or International Baccalaureate (IB) courses and test scores.*** This program requires a minimum of two Advanced Placement (AP) or International Baccalaureate (IB) courses in high school and a minimum passing score on the exams for those classes. Students must score 3 or higher on AP exams and 4 or higher on IB exams.
- ***Michigan Merit Standard.*** This program requires:
  - Four years of English;
  - Four years of math (including Algebra I, Algebra II, Geometry and one credit in the Senior Year);
  - Three years of science (including biology, chemistry or physics, and one additional science credit);
  - Three years of social studies;
  - One year of physical education (guidelines to be developed by State Department of Education);
  - One year of visual, performing, applied arts (guidelines to be developed by State Department of Education); and
  - One on-line learning experience class.
